Jolie Jones, Executive Director, was present for the entirety of the meeting. Ayn Stehr, the Board's Legal Counsel, was present for a portion of the meeting.

PUBLIC COMMENTS:

No one was present to provide public comment.

AGENDA:

Motion was made by Steve Harris, seconded by Theresa Rodgers and unanimously carried, to adopt the agenda as amended to add "9. Commission for the Deaf" and number "10. Licenses Not Renewed" to Admin Review, as well as "4. Email dated 10/07/2016 from Danny Duke" to Correspondence.

MINUTES:

Motion was made by Theresa Rodgers, seconded by Steve Harris and unanimously carried, to approve the minutes of the meeting held August 27, 2016, as amended.

FINANCIAL:

1. Financial Statement for the period ended June 30, 2016
Board members were provided a copy of the Financial Statement prepared by Susan Sevario, CPA, for the year ended June 30, 2016.

ADMINISTRATIVE REVIEW:

1. **Executive Director Update**
Jolie Jones discussed the National Practitioner Data Bank (NPDB) compliance review process with board members. Additionally, she indicated that an extension was requested to complete the Board's audit, as Susan Sevario, the Board's CPA, flooded and was unable to access the necessary records. All documents have been retrieved and the audit is in process.

2. LBESPA Processing

Board members reviewed a report indicating that 18 initial applications and 4 upgrade requests have been received since the August 27, 2016 board meeting. No applications were denied and none required additional information.

3,327 individuals renewed online and 277 individuals renewed by mail, for a total of 3,604 individuals renewed as of September 29, 2016.

67 audits were completed as of September 29, 2016, with 5 audits outstanding.

One complaint was received since the August 27, 2016 board meeting.

3. Update on LBESPA Vacancies

Daphne Washington has been reappointed to serve for a second term. Steve Harris' reappointment is still pending. Deanna Hardy is expected to be appointed once Laura Gresham's term ends.

4. Alternative Clinical Experiences re: Speech-Language Pathology Assistants

Board members reviewed a letter from Paula Currie of Southeastern Louisiana University. The Board applauds Dr. Currie for thinking of ways to enhance the opportunities given to undergraduate students enrolled in a pre-professional program; however, the Board will not accept anything other than 25 hours of observation, plus 75 hours of direct/patient client contact hours for Speech-Language Pathology Assistants.

5. Sub-Committee Updates

a. SLP Assistant Application

Theresa Rodgers is comparing applications and will give an update later.

b. Telehealth Registration Procedures

Daphne Washington reported that she has researched licensure boards in Louisiana and none have telehealth registration in place at this time. The Texas Speech-Language Pathology and Audiology Board indicated that we could check back soon and Florida is in the process of doing a survey.

Need information about telehealth registrant's current state license, state of residence, questions from Act 442 about licensure comparability (standard equivalent to our state), setting(s) planned to engage in telepractice, and inquire where did they receive training to provide telepractice services?

c. Criminal Background Checks

Jolie Jones has researched other state's laws and rules and is preparing a comparison chart to give an update on this as we move forward with future rules promulgation.

d. Law Revisions

Board members prioritized future law revisions based on a list that Glenn Waguespack prepared. Ayn Stehr will need a list of what we intend to revise by the end of the year.

6. Update on Status of Law Changes in Practice Act

The Practice Act has been updated and now reflects the most recent changes to include updated qualifications for Audiology licensure and criminal background check requirements.

7. Discussion of Responses to SCR 65 Task Force Survey

Theresa Rodgers discussed the SCR 65 Task Force Survey and several concerns that have been addressed regarding removal of board members and cease and desist orders.

The Board needs to consider adding a statement for removal of board members.

The Board discussed the nomination and appointment process for board members. Ayn Stehr believes that there should be enough insulation with the professional association conducting the nomination and election process and the voting is open to all licensees of the Board. It is also a good practice that nominees are not required to be members of the Louisiana Speech-Language-Hearing Association (LSHA).

Future rules changes should include a continuing education rehaul and relook at continuing education extensions with staff authority.

8. Schedule 2017 Board Meeting Dates

2017 board meeting dates were scheduled for the following dates, all beginning at 8:30 a.m. at the board office in Prairieville, except where noted:

Friday, February 10
Friday, April 28
Friday, June 2
Saturday, August 5
Friday, October 6
Friday, December 1 in New Orleans

9. Commission for the Deaf

The Commission for the Deaf is looking for funding and reducing services and rates of reimbursement.

10. Licenses Not Renewed

Annually at the August meeting, an Agenda item will be included to give the staff specific authority to send out the October 1st lapse notice letter which will serve as a cease and desist notice. Anytime cease and desist orders are issued, we need to have a motion of the Board.

CORRESPONDENCE:

1. Email dated 9/26/2016 from Emily Rampmaier of LSHA re: continuing education

Motion was made by Theresa Rodgers, seconded by Tammy Crawford and unanimously carried, to deny the request to make an exception to the continuing education hours being earned in July of this year. The renewal period is April 15th through June 30th. Hours accrued in July can count toward the 2017-2018 renewal period.

2. Email dated 9/27/2016 from Louisiana Physical Therapy Board re: EBAS

The Board previously considered this and is not interested at this time.

3. Letter dated 08/01/2016 from Mary Ford re: Renewal Fee

Motion was made by Steve Harris, seconded by Laura Gresham and unanimously carried, to deny Mary Ford's request for waiver of the delinquent renewal fee.

4. Email dated October 7, 2016 from Danny Duke

Board members reviewed an email from Danny Duke inquiring if there is a requirement to provide speech/language therapy services and how to maintain his licensure if he is not practicing in the profession. Mr. Duke will be required to submit supervision for the current year; however, if he is not providing speech therapy services, he will be required to submit a notarized statement in lieu of supervision with his annual renewal.
