ENGLISH PROFICIENCY ASSESSMENT

9:15 a.m. ASWATHY ANAKKATHIL PRADEEP

Aswathy Anakkathil Pradeep appeared before the board as required by Rule 113.C. for an English Proficiency Assessment for speakers of English as a second language. Leigh Anne Baker, Speech-Language Pathologist, facilitated the interview via video conference with Ms. Pradeep, requesting oral and written demonstrations of proficiency.

Motion was made by Annette Hurley, seconded by Deanna Hardy and unanimously carried to issue Aswathy Anakkathil Pradeep a conditional Provisional Speech-Language Pathology license once a passing TOEFL score (overall passing, as well as passing for the speaking portion of the exam) is received. The TOEFL exam must be successfully completed within the past two years. Because the essence of the practice of speech-language pathology is communication, the Board suggests improvements with Ms. Pradeep's speech (e.g. accent modification strategies), as well as written expression, including grammar and mechanics. Ms. Pradeep, as well as her supervisor, will be required to submit a report to the Board regarding Ms. Pradeep's ability to be understood by the clients she serves. The Board must pre-approve Ms. Pradeep's supervisor. Reports must be submitted after the first month, then every three months, and must be submitted individually by the both the supervisor and Ms. Pradeep. Ms. Pradeep will be required to appear before the Board for another English Proficiency Assessment before her license can be upgraded.

ADMINISTRATIVE REVIEW:

1. Continuing Education Concerns

Jolie Jones discussed concerns that she and Erica Chatelain have with some of the continuing education being submitted with audits. Much of the continuing education is obtained from the school system, with many of those hours being related and not directly in the profession. The Board will create an informational flyer about continuing education and will send an email to Special Education/ Speech Coordinators in schools, and ask them to identify if the hours are related or direct hours on the certificates.

2. Executive Director Update

Jolie Jones provided a Directors and Owners insurance policy quote to the Board members to gauge interest. The Board members were very interested and requested two additional quotes to be presented, along with information on what is covered.

Motion was made by Deanna Hardy, seconded by Annette Hurley and unanimously carried to waive the Annual School Report requirement for 2020, due to COVID-19. The Board will send out an email stating that the report is waived, reminding Coordinators to ensure that their individuals are licensed to safeguard their students.

Motion was made by Annette Hurley, seconded by Deanna Hardy and unanimously carried to authorize the Executive Director to send the annual cease and desist letter to all individuals who have failed to renew their license by August 1, 2020.

The Rules specify that continuing education hours cannot be split.
