TO BE USED BY APPLICANTS FOR SPEECH-LANGUAGE PATHOLOGY LICENSE

I request (check the one that applies)

- Speech-Language Pathology License
- Provisional Speech-Language Pathology License

A Speech-Language Pathology License is issued to individuals meeting all educational, clinical practicum, examination, and professional experience requirements for full licensure. A Provisional Speech-Language Pathology License is issued to individuals who have completed the educational and clinical practicum requirements, but have not yet completed the examination and/or professional experience requirements. I understand that, if I am issued a Provisional Speech-Language Pathology license, I must practice under the DIRECT supervision of a Licensed Speech-Language Pathologist.

I understand the requirements for a Speech-Language Pathology or a Provisional Speech-Language Pathology License are:

A. EDUCATIONAL REQUIREMENT

A Master's Degree in Speech-Language Pathology or its equivalent which meets the coursework requirement established by the Board. Official graduate and undergraduate transcripts are to be sent directly from the institution to the Board address indicated on this application, as evidence of the degrees and/or academic credit required by law, before a license can be issued.

B. CLINICAL EXPERIENCE REQUIREMENT

Proof of having completed:

400 clinical practicum hours (combined undergraduate and graduate or graduate only) if Master's program began after January 1, 2004.

375 clinical practicum hours (combined undergraduate and graduate or graduate only) if Master's program began after January 1, 1994.

300 clinical practicum hours (combined undergraduate and graduate or graduate only) if Master's program began prior to January 1, 1994.

C. EXAMINATION REQUIREMENT

Notification from the Educational Testing Service of a passing score earned on the Speech-Language Pathology Section of the Praxis Examination. An individual who has not fulfilled the examination requirement within one year from original issuance is not eligible to upgrade to a Speech-Language Pathology license.

AN INDIVIDUAL SHALL FULFILL THE EXAMINATION REQUIREMENT WITHIN ONE YEAR FROM THE DATE OF ORIGINAL ISSUANCE OF THE PROVISIONAL LICENSE.

D. PROFESSIONAL EMPLOYMENT REQUIREMENT

Proof of at least nine (9) months (defined as 36 weeks in Rule 103) of full-time supervised professional employment/experience (or its part-time equivalent) in the field of speech-language pathology is required in order to upgrade to a Speech-Language Pathology license.

Professional employment must begin after the educational and clinical practicum experiences have been completed.

Upgrades should be requested immediately upon completion of the professional employment requirement (provided a passing score of the Praxis exam has been obtained).

AN INDIVIDUAL MUST FULFILL THE PROFESSIONAL EMPLOYMENT REQUIREMENT AND UPGRADE TO A SPEECH-LANGUAGE PATHOLOGY LICENSE WITHIN THREE YEARS FROM THE DATE OF **ORIGINAL ISSUANCE OF THE PROVISIONAL LICENSE.**

WAIVERS

I understand that waivers of some requirements are available under the following conditions: (Check if applicable)

- I apply for a waiver of the documentation of the examination and clinical practicum requirements by presenting with this application proof that I hold a current Certificate of Clinical Competence from the American Speech-Language-Hearing Association.
- I apply for a waiver of the examination requirement by presenting with this application proof that I hold current certification as a specialist of speech-language pathology by the Louisiana State Board of Elementary and Secondary Education, and am currently employed in a school setting.
