COMPLIANCE HEARING:

Ashley Delaune, along with her attorney, Frank Rathle, requested and appeared for a compliance hearing to appeal the Board’s decision to deny reinstatement of her Audiology license. The Board denied Ms. Delaune’s request to reinstate her license based on documentation provided as part of the application process indicating that Ms. Delaune practiced within the scope of practice of an Audiologist without the appropriate licensure from June 26, 2013 to November 21, 2014.

Mr. Rathle provided the Board with Affidavits from Ashley Delaune, Bill Simpson, Audiologist and direct supervisor of Ashley Delaune, and Clarisse Waguespack, Administrator for Southern ENT Associates, regarding Ms. Delaune’s scope of practice. Ms. Delaune testified that she did not work within the scope of practice of an Audiologist and that Bill Simpson reviewed and signed all of her work. Ms. Delaune also testified that she did not misrepresent herself as an Audiologist.

Motion was made by Theresa Rodgers, seconded by Tammy Crawford and unanimously carried, to go in to Executive Session at 10:33 a.m. for the following reasons:

to discuss the character, professional competence, or physical or mental health of a person, provided that such person is notified in writing at least twenty-four hours before the meeting, and

for investigative proceedings regarding allegations of misconduct or any other matter now provided for or as may be provided for by the legislature.

Votes for going into Executive Session: Glenn Waguespack, yes; Daphne Washington.

Motion was made by Tammy Crawford, seconded by Daphne Washington and unanimously carried, to come out of Executive Session at 10:41 a.m. to grant Ashley Delaune's Audiology license, based on the documentation and testimony provided.

The Board discussed future rule changes. A working meeting was scheduled for Saturday, March 21, 2015 to discuss law and rules changes, as well as related presentations.
