DISCUSSION RE: OVER-THE-COUNTER HEARING AIDS AND POSSIBLE LAW REVISIONS

Board members discussed with Dr. Courtney Stewart, Co-Executive Director for Louisiana Academy of Audiology the need for possible law revisions regarding over-the-counter hearing aids.

Dr. Stewart mentioned that she would like to see cognitive/health screenings added to the scope of practice for audiologists, this change can be made in addition to cerumen management. Dr. Stewart would also like to see vestibular testing excluded from physician referral.

Additionally, the word "current" will need to be added to 7.b.ii. to comply with current federal Food and Drug Administration.

Also, for consideration, is the length of time for the prescription, and clarification on "filled" or "dispensed".

An overview of the Practice Act reflects that we have a really good Act in Louisiana and many states look to Louisiana for guidance.

Motion was made by Jerrilyn Frasier Vaughan, seconded by Erica Chatelain and unanimously carried, to create an Audiology Ad Hoc Committee, to include Dr. Courtney Stewart and Dr. Steve Madix from the Louisiana Academy of Audiology, as well as Abby Langlinais from the Louisiana Speech-Language-Hearing Association. Jerrilyn Frasier Vaughan will chair this committee. The first meeting is scheduled for Monday, December 12, 2022 at 6:00 p.m. via Zoom.
